

COP26 Research Lab

9th December 2021, 5:00-7:00 pm (CET)

Blended: Room 1, Palazzo Vernagalli

(20 seats available: please write to alex.putzer@santannapisa.it for booking)

On line: [Teams Link](#)

- ❖ ***Introduction:*** Alberto Pirni, Gianluigi Palombella, Marco Frey, Roberto Buizza
- ❖ ***Presentations by the Sant'Anna School delegation in Glasgow:*** Alice Alosi, Alessio Novi, Patrizia Gragnani, Manav Khanna, Fabio Iannone, Riccardo Luporini
- ❖ ***Presentations by members of thematic working groups***

The event aims to provide an account of the mission to COP26 and to stimulate a joint reflection on the state of the climate crisis after Glasgow. The event also aims at relaunching a future transversal and interdisciplinary research on the scientific and social aspects of climate change.
